The Fallon Tribal Chairwoman Cathi Williams-Tuni kicked off the ground-breaking and ribbon-cutting ceremony on January 9, 2025. She stated that the project was a culmination of a lot of work over several years. During the ceremony, Chairwoman Williams-Tuni gave special recognition to key partners involved in the project. The Fallon Business Council, representatives from the partnering companies, and key players who were instrumental in the project, participated in the symbolic ground-breaking, officially marking the start of construction. Remarks from project leaders emphasized the importance of this partnership and the significant positive impact it will have on the community.

With smiles, laughter and the simul-

taneous motion of golden shovels breaking earth, a new chapter begins as the Fallon Tribes Grows Their Commitment to their People!

The project located on Paiute Drive is designed to meet the growing needs of the FPST tribal community, it will include 22 apartments comprising of one to four bedroom and featuring numerous amenities including a community building and playground. The development will provide affordable housing options for tribal families, individuals, and elders.

Additionally, the development will serve households with some of the highest levels of need for affordable housing. Six units are targeted for households with up to 30% of the area median income (AMI), 12 units are targeted for households with up to 50% of AMI and four units are

targeted for households with up to 60% of AMI.

A&K Earthmovers began horizontal construction on Dec. 2, 2024, preparing the site for new housing designed for Paiute-Shoshone tribal members. Chairwoman Cathi Williams-Tuni confirmed that the project is on schedule. Pavilion Construction, led by Rick Burkette, is set to begin vertical construction soon.

The Fallon Paiute-Shoshone Tribe is among several Nevada tribal communities working to address housing shortages. In 2024, the U.S. Department of Housing and Urban Development allocated nearly \$27 million to support tribal housing programs across the state, with a \$2.5 awarded to the Fallon Paiute-Shoshone Tribe for the project.

## FALLON PAIUTE-SHOSHONE TRIBE

From the Office of:

*Catherine Williams-Tuni*

TRIBAL CHAIRWOMAN

January 29, 2025

Dear Tribal Members and Staff,

**Subject: Federal Funding Freeze Rescinded**

As you may be aware, the Trump Administration, through the Office of Management and Budget (OMB) issued a memorandum on January 27<sup>th</sup> ordering federal agencies to freeze federal grant and loan disbursements. The reason provided for the freeze was to, “align Federal spending and action with the will of the American people as expressed through Presidential priorities.” In response to the memorandum, several challenges were filed, including groups of various non-profit organizations and by several states, including the State of Nevada. On January 28<sup>th</sup>, a federal judge in Washington D.C. issued a temporary restraining order, which in turn paused the funding freeze. On January 29<sup>th</sup>, the OMB rescinded the memorandum they had issued. At this point, there is no federal funding freeze in effect.

We want to assure our community that we are continuing to follow this matter closely, including any further developments. As a team, FBC has been actively engaged in discussions with the Tribe’s legal counsel to ascertain how to best protect the Tribe’s interests. We intend to continue to enthusiastically defend the critical nature of our federally funded programs and advocate for the Tribe and our members.

Another concern many of you may have are recent news feeds regarding the ICE raids that are occurring throughout the U.S. Although we are in our small remote community, we always have to lean on the side of caution. With that said, we are encouraging you to keep in your possession your current tribal ID along with other forms of ID at all times. Please update your identification cards to ensure your documents have current addresses. Just as with the DMV exemption forms where we require the tribal ID, Driver license and vehicle registration to match, it’s a good idea to do the same in this current situation in case you are ever questioned. We are offering our tribal member youth under the age of 18 to come into the Enrollment Office and get a tribal ID card that proves your enrollment with the Fallon Paiute-Shoshone Tribe. At this time, those ID’s are free of charge to our youth.

Finally, we want to assure our membership that we are constantly keeping on top of the current events from our nation’s capital and will pass along information through our Official Facebook page as well as our FPST website as developing information unfolds.

Should you have any questions or require further information, please do not hesitate to contact my office at (775) 423-6075 Ext. 1004 or (775) 427-9948. Email is also available at [chairman@fpst.org](mailto:chairman@fpst.org).

Blessings,

Cathi Williams-Tuni, Chairwoman

## DEPARTMENT OF MOTOR VEHICLE TAX EXEMPTION

This Governmental Services Tax Exempt Privilege/Eligibility has been in effect since 2012. The current Tribal Chairwoman is only enforcing the DMV Vehicle Privilege for the benefit of all eligible Tribal Members.

It is the responsibility of the Chairman/Vice Chairman of the Fallon-Paiute Shoshone Tribe to verify that the following vehicle tax exempt application through the State of Nevada is in accordance with NRS Nevada state requirements. The statement above the required signature of the Tribal Chairwoman states "I declare under penalty of perjury that the foregoing is true and correct and that the applicant meets the eligibility requirements listed above." This statement puts a great deal of responsibility on the Chairwoman & Vice Chairman under penalty of perjury to ensure the documents presented for exemption are true and correct. Likewise, the tribal member seeking the tax exempt also has an obligation by the statement above their signature, "I declare under penalty of perjury that the foregoing is true and correct." meaning the applicant attests all information is correct and has met the eligibility criteria when requesting the vehicle privileged exemption.

This privilege was created for the beneficial use & opportunity for federally recognized Tribal Members LIVING ON THE FALLON PAIUTE-SHOSHONE RESERVATION OR COLONY ONLY

### **INSTRUCTIONS & ELIGIBILITY:**

- ◆ The exemption must be applied for annually with a separate exemption application required for each vehicle being registered.
- ◆ Bring your Tribal ID, Drivers License & DMV Registration and/or Title to the Chairwoman's Office for processing. ALL documents must match the same address to validate the applicant & vehicle. If any of the documents do not match, it is the responsibility of the applicant to make necessary changes.
- ◆ Once the proper documents are turned in, please give the Chairwoman's Office at least 24 hours time for processing.

### **WHO IS NOT ELIGIBLE:**

- ◆ **Fallon Paiute-Shoshone Tribal Members or other Nevada Tribal Members who DO NOT permanently reside within the boundaries of the Fallon Paiute-Shoshone Reservation or Colony are NOT ELIGIBLE for receiving the Governmental Services Tax Exempt from the Fallon-Paiute Shoshone Tribe.**

# The 22-Unit Affordable Housing Project

## Chairwoman Williams-Tuni giving opening remarks at Ground Breaking Ceremony

Greetings from the THPO office:

Here is a history lesson about how our people started on Indian reservations.

**DISCOVERY OF DOCTRINE;** Pope Nicholas the V. gave a Portuguese king permission for only NON-CHRISTIAN lands could be discovered and claimed by early Christian discoverers and traders. This law became.. INTERNATIONAL LAW- European Monarchs claimed primary lands owned by the Indigenous people all over the world of these lands.

**May 28, 1830- Andrew Jackson** signed into law the Indian removal act, which allowed the settlers to take and claim Indian land, at the same time tribes of these lands were removed into the Indian Territories and places on Reservations. Moreover, children were taken from tribes and placed in boarding schools, to take away the cultural and language.

**1872-1874 NATIVE AMERICAN ACT,** General mining act of 1872 – ALLOWED individuals to stake a claim on Indian lands, without informing or consulting tribes.

**Our citizenship into the US started in 1924.** we were granted citizenship in 1924, so some of us are only first generation born US citizenship, some of our parents were not born citizen of the US, most of our grandparents were not born US citizen. Prior to Indians gaining U.S. Citizenship considered a sovereign nation. To this day, tribes are Sovereign.

**1968 Indian Civil Rights Act:** Prior to 1968 Indians, did not have constitutional right, in the constitution of the U.S. it states “all except the Indians”. This is the reason why our ICRA gives us the same rights as the U.S. constitution.

On Tuesday of last week, the BLM had a meeting with our tribal resources department. Their goal is to bring our tribal people seeds to grow the natural plant that grow on BLM lands. The lands need to be replenished. The BLM will buy back all the plants and the seeds we produce. The people could grow the plants inside your yard and sell the plants back to the BLM. On the other hand, we could start a community garden, what plants you grow you can sell it back to the BLM. If you are interested in this seed program, please watch for the flyers or look into the Tribes web page and attend the meetings.

**SPRING:** I would like to have a family day at the graveyard to document and identify family graves, and unmarked graves. My number is (775) 423-6075 or cell work No. (775) 426-8353 e-mail thpo@fpst.org.

The SafeVoice Nevada App was created to allow kids to anonymously report what they are experiencing or seeing the harm afflicting them and their peers. Once the app is downloaded into a smart phone, you will see three prompts, the third allowing for a description of concern/event. All children deserve safety. At the bottom of the page, click on the Google Play address to download the app. . If you have a question about this app, call 775-423-9076, ext. 1002 or 1004.

### About this app:

The Nevada Department of Education in partnership with P3 Intel for SafeVoice Nevada is offering the next generation tip management system allowing students, parent, and community members to submit secure and anonymous safety concerns to the statewide SafeVoice strategic prevention model. Secure intel, ongoing two-way dialogue, and image and video upload features sent to a live 24/7 answering point enable Nevada school administrators and law enforcement to receive the most accurate information in order to create effective interventions to support student well-being and prevent violence and tragedies. ## The Fallon Paiute-Shoshone Housing Department News

The Fallon Paiute-Shoshone Housing Department would like to welcome Jennifer John as the new Housing Department Director. She is working to advance housing projects that are on the FY 2025 Indian Housing Plan, as well as other projects that will assist the community. The Southwest Office of Native American Programs has accepted and approved Fallon Paiute-Shoshone Housing Department's FY2025 Indian Housing Plan with a total budget of \$1,894,350.00.

The Housing Department welcomes Wilfred Tuni as the Housing Maintenance Supervisor. If there are any repairs needed in your home, please call Krystal Williams, (775) 423-3321, to put in a work order for you. The maintenance of units is an on-going responsibility of the Housing Department and the residents. After Hours Emergency # (775) 442-0126 (Wilfred).

The Elder & Near Elders Winter Heating Program is on-going from October thru March of each year for members 55 years and older. Applications are available. It is best to plan ahead when needing assistance, so that the Housing Department can work with the utility companies to get you the assistance without delay.

The Rehab/Modernization of CAS Units are still proceeding. HAF program is still on-going. HVAC program will proceed this year and will serve Elders 62 years and older. The Housing Department is asking that you check to see if you are on the list, if not, please fill out an application to be added to the list.

Amerind Coverage Elderly Program provide Amerind Insurance coverage to eligible low-income families. You must apply annually with premiums coverage paid for 1 year, annual term.

The Assistance to Elderly and Disabled Homebuyers and Homeowners is still proceeding, if you have any questions call Briana Chee, Resident Service Specialist (775) 423-3321.

The Criminal & Safety Prevention Program provides salaries for 2 Law Enforcement officers, to help with keeping the community safe.

The Demolition of 1937 Act allows for identifying substandard home at the Colony to be demolished and removed from their sites. Three homes are scheduled to be demolished in 2025, with the working beginning around March.

The Operations of 1937 Act CAS Housing Units includes compliance work on HUD Housing Units such as yard maintenance, collection & eviction issues, inspection of services and other Housing Policy requirements. This work is done thru work orders, prepared following home inspections or by housing notifications thru resident requests.

For Housing Development, funding has been included in the budget to build 4 scattered sites in 2025. The LIHTC Sagebrush I Project is proceeding and construction has begun. The Ground Breaking Ceremony was held on January 9, 2025. Horizontal construction phase in process with A&K Earthmovers starting the groundwork in November 2024. This project is to be completed by 2026.

# JANUARY EDUCATION DEPARTMENT NEWSLETTER

**BOYS & GIRLS CLUBS**

Hello everyone, we are officially a month into the new year! With that, ASP has started back up after the holiday break, so please let us know if you want to get your kids signed up! We also had a Winter Camp during the new year to celebrate with our kids!

Here is a look at our New Year camp that was held in early January.

We went to the movies at Fox Peak and spent the warmer parts of the day on the playground!

We did STEM projects and Art sheets! Also some hot cocoa to fight off the cold!

If you have or know of a child that may be in need of services such as 1on1 tutoring, access to a computer/wifi, help at their school, or other services please feel free to reach out to us @ 775-423-8065 with any questions.

If we can't be of help we may have the contact for the person who does!

**BOYS & GIRLS CLUBS**

**After School Program is in full swing for the spring semester. Please reach out for an application. We provide transport home to anyone living on the reservation, and up to fox peak for any in town kids. We provide snacks, physical education, academic support, emotional and social trainings, cultural teachings, and we share a general goal to make our kids into great future leaders and community members.**

**Here are just a few things we've done in January, including having a presentation on the importance of sweet grass, talking circles, and the importance of song taught by Ray Allen.**

**Finally we send out a heartfelt good bye to a long term staff member Adrian Tom. He was our JOM coordinator and Learning Specialist III. Also our in house artist!!! Good luck and much love to him. He will be sorely missed, but we plan to stay connected in his new position.**

# RECRUITING PARTICIPANTS

## FOR A DRINKING WATER QUALITY RESEARCH PROJECT IN FALLON!

Most people in rural Nevada get their drinking water from a privately owned domestic well, but most well owners infrequently test their water quality. Well water testing helps ensure that your water is safe for you and your family to drink. This research project provides participants with free testing of their well water quality.

**WHO CAN BE IN THIS PROJECT?** Adults (18 or older) who live in Fallon, Nevada and get their household water from a private well.

**WHAT WILL I BE ASKED TO DO AND WHAT IS MY TIME COMMITMENT?** You will be asked to allow a member of the research team to collect water from your home, requiring up to two home visits of about one hour per visit. A subset of participants will be selected to have a water treatment installed, which will take about two hours.

**WHEN IS THIS PROJECT?** Summer 2024 to Summer 2026.

**WILL I RECEIVE SOMETHING FROM THIS PROJECT?** Yes! Your well water quality will be tested for free and you will be sent all results. Additionally, you will receive free registration to a Private Well Informational Webinar and select participants will have a water treatment system installed for free.

## The History of Sweet Grass– Steve Wiseman

By Jill Wright [tribalnews@fpst.org](mailto:tribalnews@fpst.org)

On Monday, January 27, at the Community Learning Center, both Cultural and Child Care Program hosted a presentation, “The History of Sweet Grass” given by Steve Wiseman from Sutton, Nebraska.

His first stop was spending time with the youth from the FPST Boys & Girls Club. With undivided attention, Steve taught students to have a deeper appreciation for the Earth and a sense of responsibility for its care, promoting environmental stewardship and wise decision-making. During the presentation, there was a hands-on demonstration on how to braid sweet grass. The students picked partners and given a bundle of sweet grass to braid that they could take home.

That same evening at 6pm, the community was invited to come and listen as Steve shared stories and topics in the History of Sweet grass which is of a sacred nature to the Native Peoples. He respectfully had discussions on the sacred meaning of sweet grass, other sacred plants, and the shared stories from other Indigenous tribes.

Drawing from his own experiences, he shared his wisdom of many years spent growing and harvesting. He brought his own bundles of sweet grass to share with all attendees and demonstrated how all living things provide us with gifts and lessons every day. Specifically, sweet grass braids are used in Smudging and purification. Burning Sweet grass, often in braid form, is a common practice for cleansing spaces, objects, and peo-

ple of negative energy and inviting positive spirits.

Steve had stated how he would send the tribe plugs of sweet grass to see if it can be grown here in our community. At the end of the presentation, there was time for Q & A from the community. At the end of the event, Vice Chairman Philip Johnson presented him with a tule duck made by tribal member Mike Williams. He was thanked for

coming and sharing his passion of life with our youth and community.

We thank Dawn Garner, Child Care Coordinator for her thoughtfulness and kind heart as well, Letisha Yellowhawk, Cultural and Library Coordinator, for cooking a traditional stew for the event. Lastly, we would like to thank everyone who came out to learn about the History of Sweet grass.

### Overhead (Single Resource) Positions

- Must submit an AD Fire application and complete any required training.
- Typical positions are IMT support positions, Dispatch, READ, DIVS, SOFR, SOF2, PIO, RADO, ATGS. There are many more, but these are a few we support annually.

# Tips for dealing with scam calls

Never give out your bank details over the phone to someone you don't know

Remember you don't have to answer calls from numbers that you don't recognise

If you're unsure if a call is genuine, hang up and ring the organisation back on their official number

If you think you've been the victim of a scam call notify your local **Law Enforcement**
